**One Peace Books Announces the Forthcoming Release of
*Treedom: The Road to Freedom:***

Treedom will be available nationwide on September 1, 2009

New York, NY – One Peace Books announces the forthcoming release of *Treedom*. *Treedom* will be available wherever fine books are sold on September 1, 2009.

Can a tree house be an expression of freedom? *Treedom* (One Peace Books, ISBN: 978-0-9785084-6-7 \$24.95, Hardcover, 160 pages, 110 photos, 55 min. DVD included) explains and illuminates the tree house lifestyle.

With its emotionally-charged photography and eloquent prose, *Treedom* is the story of Japan's foremost master tree house creator. A touching, enlightening insider story that explores an outsider's feeling of loneliness and coming to terms with one's purpose in life, *Treedom* is an exquisite story of the author's life and salvation in the trees. *Treedom* also includes a splendid 55 minute documentary DVD that documents the creation of the author's work.

According to Peter Nelson, co-owner of Treehouse Workshop and author of *The Treehouse Book*, "Now we all have the chance to meet and know one of Japan's great iconoclasts."

Treedom is filled with breathtaking photography and emotionally-inspiring text, accompanied by the moving poetry of William Blake. Not your average tree house book, *Treedom* is an exquisite tale that explains how to find freedom by finding your own "tree house."

Author Takashi Kobayashi is a pioneer in the world of tree houses. He has appeared in the *New York Times* and is regarded as Japan's foremost tree house builder. He has been commissioned to build for a variety of clients, including for a Japanese national television commercial. He also took part in the World Tree House Conference held in Oregon 1994 as the first and only Japanese participant. Since then, he has established the Japan Tree house Network and Tree house Creation LLC. He lives in Tokyo where he manages a popular tree house restaurant and café.

Based in New York, One Peace Books specializes in publishing visually-compelling motivational literature. Backed by two successful publishers in Japan, One Peace Books endeavors to publish literature for global readership, and is committed to its core belief that quality literature should not be limited by borders or race, but should reach people all over the world.

Originally published in Japan, *Treedom* will be available nationwide on September 1, 2009.
